## PERFIL PROFISSIONAL

Motivated and enthusiastic computer science student seeking a Front-End Developer internship to apply my skills in HTML, CSS, and JavaScript. Eager to learn and contribute to a dynamic team while gaining hands-on experience in building responsive web applications. Committed to enhancing user experience and staying current with industry trends, with a strong desire to grow and develop in the field of front-end development.

## PERCURSO ACADÉMICO

### Cesae Digital - Centro para o Desenvolvimento de Competências Digitais, São João da Madeira

Front-End Developer (Set 2024 - Jan 2025)

As a recent graduate with a degree in Front-End Development from Cesae Digital, I have developed a strong foundation in front-end development principles and practices. My coursework and projects have equipped me with proficiency in HTML, CSS, and JavaScript, along with experience in modern frameworks such as React and Vue.js. I have a passion for creating intuitive and responsive user interfaces, focusing on enhancing user experience through clean, efficient code. My academic projects included building dynamic web applications, where I collaborated with peers to implement best practices in design and functionality. I am eager to apply my skills in a professional environment, contribute to innovative web solutions, and continue learning from experienced developers.

### IPV - Escola de Gestão e Tecnologia de Viseu, Viseu

Computer Science (Set 2022 - Jan 2024)

I began my journey in higher education pursuing a degree in Computer Science, driven by a passion for technology and problem-solving. Unfortunately, due to unforeseen financial constraints, I had to make the decision to step away from my studies before completing my degree.
